Likewise, the essential components of our products do not contain

any polycyclic aromatic hydrocarbons (PAHs).

We do not conduct tests for the presence of these substances. Therefore, it cannot be ruled out that constituents mentioned in the aforementioned Directives or PAHs may be present as trace impurities originating from raw materials, additives and processing agents, or detected as minimal traces.

This declaration shall apply only to products made by the company, rose plastic. Therefore, we cannot accept any liability for final products since we do not have any control over the further processing or further treatment of our products by your company

Please contact us at any time if you have any queries.
